# Benefits for Airlines

## **Increased Load Factor**

## **No Investment No Running Costs**

No need to establish a travel company, get license for each source market and go under high running costs to take your share from the leisure and business travel market. Let Hitit do it for you providing all necessary fulfillment services.

## **Maximize Revenue and Loyalty**

An excellent opportunity to sell excess seats by the rates you wish and take full control of the travel life cycle of your end consumers to increase loyalty and branding. Crane TM helps maximizing your revenue during high seasons as well.
